SKILLED NURSING & REHABILITATION CENTER

A SMALL FACILITY,
a large family

Let us pave the way from hospital to home for *your* loved one.

For short-term residents, our physical and occupational therapy is outcome-oriented, allowing them to return to the community as quickly as possible. For long-term residents, we strive to help them grow stronger and more enabled as their stay progresses. Our residents' quality of care is as important to us as it is to you. Contact us today at **516-536-8000** for more information or to set up a tour.
